

A customized, fun-filled vacation schedule!

Whether you have a lap dog that loves human interaction, a retriever who lives to fetch, a social butterfly that prefers to run with new canine friends, or an explorer with a curious sniffer, the **Little River Pet Resort** offers a variety of activities that provide a fun vacation experience and appeals to your dog's personality and needs.

In addition to seven daily playtimes, (included in the daily rate), you can decide how your pet will spend his days by choosing from our activities menu. For example, schedule a vigorous hike around our property, thirty minutes of chasing a ball or frisbee, or just some relaxing cuddle time!

Your pet will visit our huge Play Areas 7 times each day!

When you schedule one activity each day, you get 10% off all of them! We can even take "vacation" pictures and email them to you at your request!

A new way of caring for your pet while you are away...

Of course, the best place for your pet is WITH YOU. But since that's not always possible, the next best thing is now available. Don't leave your pet home alone or let her be locked up in a cage when you are away! Send her on an adventure in the country. At the Little River Pet Resort, she'll make new friends, get plenty of outside play and exercise on our 4.5 acres, and have all of her needs met until you return.

Food, water and shelter are just the beginning of what your pet needs.

As pet owners, we have made a deal with our companion animals. In return for all of their love and companionship, we provide for their physical needs, mental stimulation, and emotional care. Little River is your partner in meeting those needs.

Your pet deserves the best!

During your pet's vacation, he will visit our huge play areas 7 times per day with his new friends. He will have constant affection as well as healthy mental and physical stimulation. We'll do whatever it takes to eliminate any boredom or stress that he might feel while you are away.

Please visit www.LittleRiverPetResort.com for much more info or to make a reservation. We look forward to meeting you and providing your pet with a vacation they'll love!

Overnight Boarding Rates

The daily rate also includes a complimentary bath prior to check-out (with 3 day stay). *(rates effective June 2007–May 2008)*

MEDICAL REQUIREMENTS

For your pet's protection, we take our vaccination policy very seriously. In order to minimize the risk of your pet being exposed to anything contagious, any pet that visits the resort must have current vaccinations against **RABIES, BORDETELLA (given at least one week prior to check-in), and DHLPP.**

FECAL TEST— In addition to the above vaccinations, all pets visiting the resort must have a negative fecal test performed sometime in the six months prior to checking in. Documentation from your vet must indicate the test results.

FLEA & TICK PREVENTION—We are located in a rural setting and strongly recommend that your pet be on a flea and tick preventative. If we find evidence of fleas, pets must be given a flea bath before check-in.

For the protection of your pet, these requirements are non-negotiable. If you have any doubt, or do not have a copy of your vaccination records, contact your vet and ask them to send a copy to you in advance of your stay. These records must be presented during or prior to check-in.

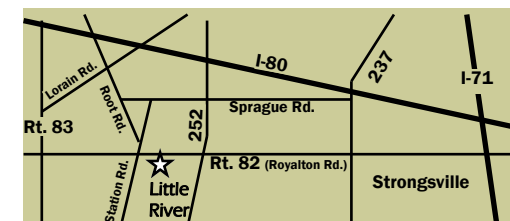

The Resort is open to Check-In & Check-Out during the following hours:
