

A customized, fun-filled vacation schedule!

What does your dog love to do?

While our pets all have distinct personalities and favorite things—some activities are universal favorites. “Wanna’ go outside?!” “Wanna’ go for a walk?!” There is a reason our pets get so excited when we say these things. Dogs are social animals with a natural desire to be outdoors, exploring their surroundings and making new canine and human friends. When we say our guests “play all day, sleep all night,” we mean it. We don’t mean a few short trips to a small enclosure. We have large play yards where dogs can truly stretch their legs and run for hours each day—ensuring they sleep well all night!

It’s what makes a Little River vacation a unique experience—something your pet will look forward to!

Your pet will visit our huge play yards for hours each day!

In addition to the standard outdoor playtimes, you can choose from our menu of one-on-one activities for \$9.00 per half hour session. Schedule a vigorous hike through the woods, a fetch session, or just some relaxing cuddle time with staff!

A new way of caring for your pet while you are away...

Of course, the best place for your pet is **WITH YOU**. Since that's not always possible, the next best thing is now available. Don't leave your pet home alone for most of the day, or let her be locked up 23 hours per day in an all-indoor kennel! Send her on an adventure in the country. At the **Little River Pet Resort**, she'll make new friends, get plenty of play and exercise on our 4.5 acres, and have all of her needs met until you return.

Food, water and shelter are just the beginning of what your pet needs.

We have made a deal with our companion animals. In return for all of their love and companionship, we provide for their physical needs, mental stimulation, and emotional care. You are committed to meeting these needs & **Little River** is your partner.

Your pet deserves the best!

Sitting in a cage all day is boring and stressful for your pet. At Little River, he will visit our huge play areas for several hours each day with his new friends. He will have constant affection as well as healthy mental and physical stimulation. **We'll do whatever it takes** to eliminate any boredom or stress that he might feel while you are away.

Rooms fill early! Visit LittleRiverPetResort.com to make a reservation now. **We're happy and proud to be able to serve you and we look forward to meeting you and your pet!**

Boarding Rates (eff. June 2009-May 2010)

Since we do not believe in simply "warehousing" your pet, our daily rate includes not just their food and sleeping quarters, but also the costs associated with interacting with your pet all day long, providing play time throughout the day, and finding compatible canine friends in order to provide a fun, stimulating and safe vacation! The daily rate also includes a **complimentary bath** prior to check-out (with 3 night stay).

MEDICAL REQUIREMENTS

For your pet's protection, we take our vaccination policy very seriously. In order to minimize the risk of your pet being exposed to anything contagious, any pet that visits the resort must have current vaccinations against **RABIES, BORDETELLA, & DHLPP**.

FECAL TEST— In addition to the above vaccinations, all pets staying at the resort must have a fecal test in the six months prior to checking in. Documentation from your vet must indicate the test results.

FLEA & TICK PREVENTION—We are located in a rural setting and strongly recommend that your pet be on a flea and tick preventative. If we find evidence of fleas, pets must be given a flea bath before check-in.

For the protection of your pet, these requirements are non-negotiable and no exceptions can be made. If you have any doubt, or do not have a copy of your current vaccinations, contact your vet and ask them to send a copy to you in advance of your stay. These records must be presented during/prior to check-in.
