

## A customized, fun-filled vacation schedule!

### What does your dog love to do?

There is a reason our pets get so **excited** when we take them to the park, or on a walk, or even just outside to play. Dogs are **social** animals with a natural desire to be **outdoors**, exploring their surroundings and making new friends. Our guests truly **“play all day, sleep all night.”** We don't mean a few short trips to a small enclosure. We have **large grassy play yards** where dogs can truly stretch their legs and run for hours each day—ensuring they sleep well all night! It's what makes a **Little River vacation a unique experience**—something your pet will look forward to!

Your pet will visit huge play yards for hours each day!

In addition to the standard outdoor play-times (included!), you can choose from our menu of **one-on-one activities** for \$10 per half hour session. Schedule a vigorous **hike in the woods**, a **fetch** session, or just some relaxing **TLC time with staff!**

**A new way of  
caring for your pet  
while you are away...**

Of course, the best place for your pet is with YOU. But since that's not always possible, doesn't your pet deserve the next best thing? Don't leave your pet home alone for most of the day, or let her be locked up 23 hours per day in an all-indoor kennel! Send her on an adventure in the country!

At Little River Pet Resort, she'll make new friends, get plenty of play and exercise on our grassy 4.5 acres, and have all of her needs met until you return.

**Sitting in a cage all day is boring and stressful for your pet.** At Little River, he will visit

our huge play areas for several hours each day with new friends. He will have constant affection as well as healthy

mental and physical stimulation. **We'll do whatever it takes** to eliminate any potential for boredom or stress while you're away.

Rooms fill early! Visit **LittleRiver-PetResort.com** to make a reservation now. We look forward to meeting you and providing your pet with a safe and fun vacation!
